

MedCerts Healthcare Training Upskill, Cross-train & Fill Your Talent Pipeline

IPC is excited to introduce MedCerts, a market leader in online employer-based healthcare training. Specializing in Allied Health, MedCerts programs allow organizations to upskill existing employees, and train new hires to fill the talent pipeline.

Through its 12 Elements of eLearning and one-on-one student support, MedCerts provides a 100 percent online, self-paced training with great results. IPC members can enroll employees in MedCerts' online programs at a substantial discount, including the **ASHP/ACPE Accredited Pharmacy Technician Professional program at 25 percent off!**
