Windmill
Contract Advantage Plus

Free!

Your Trusted Nutritional Partner Servicing Independent Pharmacies Since 1972

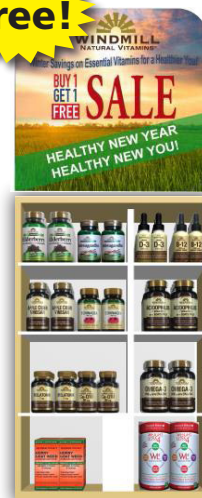

Exclusivity: Windmill's A-Z vitamin line is sold exclusively to Independent Pharmacies.

Professional Service: A Windmill Sales Rep will visit on a regular basis to support the Windmill front-end programs in your store and assist in merchandising your department, placing reorders, and discussing market trends and new products.

Promotions: Aggressive and fully supported promotions are provided for your nutritional department with three annual sales events including BOGOs and Value Pricing.

Innovative Products: Windmill offers a complete line of high quality products including USDA Certified Organic, non-GMO, vegan, gluten and allergen-free SKUs, plus a complete line of preservative-free products.
