

## The Best Way to Track Your Packages UPS My Choice® for business

UPS My Choice® for business allows you to proactively monitor **all** your inbound shipments to keep your pharmacy running smoothly. Signing up online is easy, and *free!*

### Key Features

- Manage your deliveries from **interactive dashboards**.
- UPS My Choice® for business allows you to **track all your deliveries**, not just shipments from IPC.
- **Estimated delivery windows** & inbound delivery notifications.
- Easy online registration, with the ability to **add multiple users**.
- Make last minute delivery changes.
- In addition to **inbound deliveries**, you can also track your **outbound shipments**.
- UPS My Choice® for business **does not** replace package status emails from UPS Quantum View (pkginfo@ups.com). You will continue to receive them.
- Signing up for UPS My Choice® for business is free.

### Easy Sign-up

- Go to [ups.com](https://ups.com) to register.
- During registration, select inbound view. If you'd also like to track your outgoing packages, select both inbound and outbound views
- Log in with your ups.com user ID. If you don't have one, you'll be taken through the steps to create one.
- With inbound view selected, you can enter a new address or choose an existing one tied to your account.
