“
Your socks are the best! I have used your socks for over a year now as I have varicose veins. I now have my husband using them after his total knee replacement. He would always complain about his legs hurting when he had to stand for any length of time. He no longer complains and says his legs feel great! Thank you for this awesome product!

 The first did so well that I bought a second pair. I bought Montana Plaid cotton socks when I moved from a colder climate to a warmer one. I was so happy with the style and comfort of these socks that I recently bought a second pair. Thank you!

“
 Tired legs no more. I have the pair that are 15-20 mmHg that I love but having poor circulation requires a bit more pressure for me. These prevent my legs from feeling tired or sore after a 12-14 hour shift in ICU. I highly recommend these.

I've had good luck with VIM & VIGR socks, and find they are worth the cost. I was skeptical about the open-toe at first but now I love them. They are my go-to for long travel days in warm weather – toes stay comfortable, legs stay strong!

The sale of discontinued products is not subject to the above MSRP provisions; however, the sale price must be approved by VIM & VIGR.

SHIPPING AND HANDLING: Orders ship via the least expensive method (FedEx Ground, UPS Ground, USPS) unless a retailer's shipping account number is provided. Please provide any special shipping instructions or guidelines at the time the order is placed. Buyer shall be responsible for filing damage claims with the carrier if the goods are damaged in transit. We charge a handling fee for orders that require special instructions such as poly-bagging, re-packaging, or the use of third-party barcode provider. The price varies depending on the size of the order. This charge will not be calculated until the order is being prepared and will be communicated before shipment.
