Unifine® SafeControl®

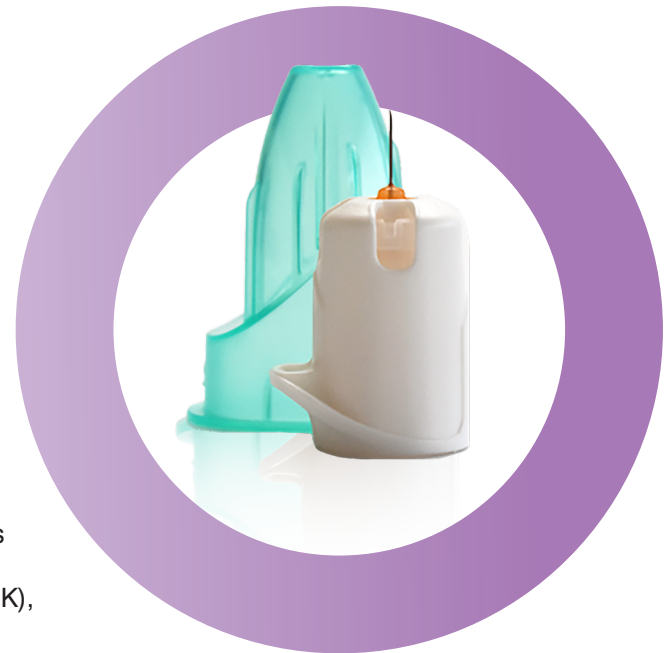

Medicare Coverage Concerns?

Unifine® SafeControl® has you covered.

Unifine® SafeControl® gives you and your patients a **choice**, even when faced with a Part D pen needle block¹. Feel confident knowing that Unifine® SafeControl® is **covered** by most Medicare plans**, making it an **accessible** and **affordable** choice for your patients.

Make Unifine® SafeControl® your 1st Choice for Medicare Patients.

**Unifine® is also still covered under the following Medicare plans (including, but not limited to): AARP, Cigna, United, Highmark (NY), UPMC, Blues (MN, TN, AL, RI, MA, IL, FL, WA, LA, MT, TX, NM, OK), Anthem, Tufts, Clear Spring Health, and CVS Caremark.
