**You Need a Buying Group
that Cares about your
business as much as
You do.**

**Ask yourself
these three questions.**

In addition to providing you with an industry leading supply agreement:

- 1** Does my buying group support me financially?
- 2** Do I have access to cost saving programs and business guidance?
- 3** How is my buying group helping me understand what's around the corner to future-ready my pharmacy?

"If you're in the pharmacy business, you have to join a buying group or else you're just not going to make it. So, you might as well join the best one out there. IPC is the best one out there and we couldn't be happier."

- Dan Fuchs, Dick's Pharmacy, Twin Falls, ID
