

**INDEPENDENT
PHARMACY
COOPERATIVE**

Pharmacy Services

Pharmacy Services is here to support our membership in implementing clinical programs to improve the economic environment of independent pharmacy. By identifying revenue producing opportunities and vendor solutions, we work to ensure the sustainability of pharmacists as essential healthcare providers. Through education, consultation, advocacy, and support we continue to empower our members to practice at the top of their profession.

We Offer Support and Consultation in the Following Areas:

- Immunization Programs
- Point-of-Care Testing
- Medical Billing
- EQulPP Performance
- 340B
- Long Term Care
- Compounding
- Audit Support
- Vendor Solutions
- Industry Education
- Other Clinical Services
