2026 SEASONAL COLLECTION

FESTIVE CLASSICS

Rooted in familiar holiday color, this style balances tradition with a clean, modern sensibility. Rich reds and greens are softened by touches of white and subtle blush, creating a look that feels both warm and current. Foil and glitter details add dimension and gentle shine to greeting cards and stickers, bringing a refined finish to classic seasonal artwork.

SIMPLY FESTIVE

A refined blend of color and detail brings a gentle sense of play to this holiday style. Cheerful artwork is paired with foil and glitter accents that add subtle shine and dimension. The overall look feels festive yet balanced, offering a thoughtful, modern take on seasonal favorites.
