

Purchasing Power

World-Class Supply Agreement

With options for you to choose from, IPC's supply agreement can save you thousands on your purchases, while giving you the option to choose which purchasing method is right for your pharmacy.

Why Choose Us?

- ✓ **Strategic Partnerships:** Leverage our alliance with McKesson to enhance your purchasing power.
- ✓ **Tailored Solutions:** Choose an agreement that aligns with your unique business needs.
- ✓ **Expert Guidance:** Benefit from the knowledge and experience of our dedicated team.

Your Success is Our Priority

At IPC, we understand the challenges independent pharmacies face. Our new agreement with McKesson is a testament to our commitment to your growth and profitability.

Your IPC Regional Director can provide additional assistance with any questions you may have.

"If you're in the pharmacy business, you have to join a buying group or else you're just not going to make it. So, you might as well join the best one out there.

IPC is the best one out there and we couldn't be happier."

Dan Fuchs,
Dick's Pharmacy
Twin Falls, ID

Make an Informed Choice

Choosing the right supply agreement is crucial for your pharmacy's efficiency and cost management. IPC, in collaboration with McKesson, offers multiple options to cater to your specific requirements.

Top Reasons Why IPC is the Right Choice:

- IPC gives back 100% of your rebates and admin fees.
- Earn equity – you also earn back your portion of the profits from the cooperative.
- Backup Generic Rx purchasing with Pharmacy Select
- Access to an elite team of pharmacy experts to help with all your business needs.
- Leverage the IPC Warehouse as your secondary wholesaler so you can stay compliant and optimize your purchasing strategy.
- Member owned cooperative – you run your business and can trust that owners like you are guiding IPC as elected board members.
- Federal, state, and local advocacy – we are working for you to advance independent pharmacy with policymakers.
- Future-ready your pharmacy with Digital Health.

Ready to Transform Your Pharmacy?
