Bundles

Save big on the products you love with pharmacist-curated bundles. Brought together for a variety of regimens, you have options for IV infusions, Longevity, Weight Management, and so much more.

IV Bundles

Previously discontinued IV kits are now returning as discounted bundles! While these bundles do not include the original packaging with saline bag stickers, the savings you get on kits are also applied to these combos.

Additionally, you can try out an all-new bundle at a discount before it becomes an IV Kit! Formulated with gut health in mind, Debloat is planned to join the IV Kit lineup later this year.
