

## Turnkey Construction Solutions Built for Independent Pharmacies

Independent pharmacies are built on trusted relationships and personalized service. When it's time to remodel, expand, or build a new facility, KR Wolfe offers turnkey construction solutions tailored to the needs of Independent Pharmacy Cooperative members. With nearly two decades of experience working in regulated healthcare environments, our team understands the unique operational, compliance, and workflow demands of pharmacy spaces. Our agility allows us to quickly adapt to changing timelines, site conditions, and operational needs, ensuring projects move forward efficiently. As your trusted professional contractor, KR Wolfe manages the details of construction so you can focus on serving your patients.
