

Introducing InmarOne

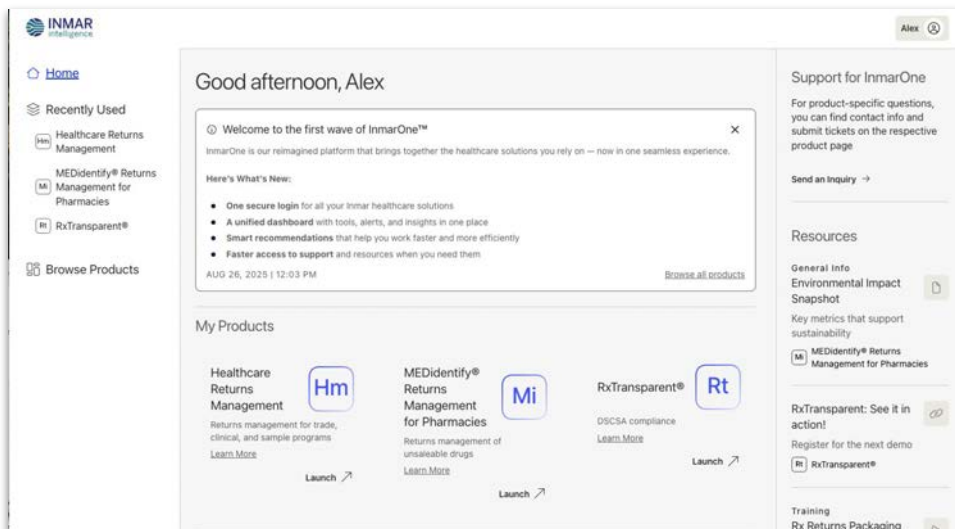

All Your Tools. One Seamless Experience.

InmarOne is your entry into a more connected, efficient, and intuitive healthcare experience. It brings together all your Inmar applications into one powerful interface, letting you work the way you want, with tools you already know and trust.

This is your Inmar, reimagined to work better for you.

Simple by Design:

- **Connected Dashboard:** Apps, alerts, and workflows in one view
- **Smart Recommendations:** Find solutions that drive efficiency
- **Faster Support Access:** Get the help you need, when you need it

Built Around You

Your voice shaped every part of this experience. InmarOne reflects what you need to move faster, stay focused, and get more done.
