

Medicare Open Enrollment Is Coming

We're Here to Help

Open Enrollment runs from
October 15 through December 7.

If you're reviewing your Medicare coverage for next year, our team is available to help you understand your options and make informed decisions.

Before Choosing a Plan, Consider:

- ✓ Are your medications covered?
- ✓ What will your total prescription costs be?
- ✓ Is your preferred pharmacy in the plan's network?
- ✓ Does the plan support the pharmacy services, personal care and convenience you value?

Schedule a Coverage Review

The team at [PHARMACY NAME] can help you review your options and answer questions before enrollment ends.
